DEDICATION

THE 1960 FOOTBALL TEAM

When the annual staff met for the first time to begin planning the 1960 - '61 yearbook, they made a casual remark that "if" the football team beat Palatka, they would justly deserve the dedication. Some might wonder why this was considered such an important game, but the players, coaches, students, and loyal Tornado fans knew why -- it had been eleven long years since a victory over the Maroons. The night of the game arrived -- October 14, 1960, 8:00 P. M. at Palatka's home field. The question on everyone's mind, "Could this be the year?" Yes, it was the year the Tornadoes won 18-7, and as Coach Lennard Register stated, "This was a great team effort."

These boys, small in size, but with great determination and team effort, gave to Bradford High School the best record in its history with nine wins and one tie. The one tie, our opening game with Macclenny, and the only blemish on an otherwise perfect record, was the concern of all. Everyone stated, "If we could only play them again;" then the opportunity arose. The Elks invited the undefeated Tornadoes and the Baker Wildcats to clash in the Strawberry Bowl. The Tornadoes were victorious, ending their season with ten wins, one tie, and their fourth consecutive Keystone Conference Championship.

We, the staff, hope each of you are just as proud as we are to dedicate the 1961 TORNADO to the coaching staff -- Head Coach Lennard Register, Assistant Coach David Hurse, and the 1960 Tornadoes.

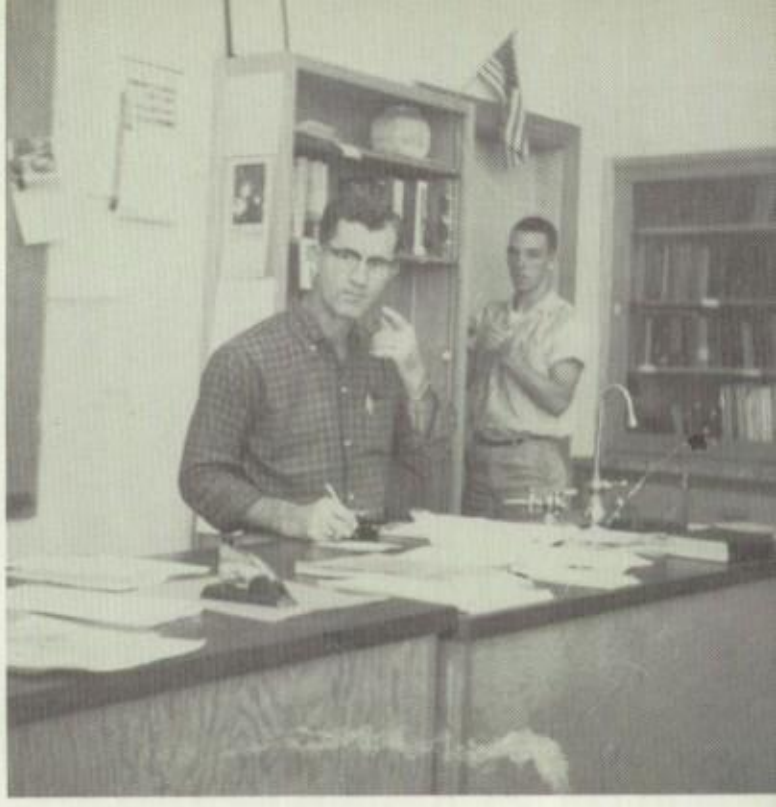
"All right boys, game time is 8 o'clock. Let's get this field ready for a ballgame."



"I promise this experiment today will not bring forth unpleasant aromas."

"Well, Pat, why do you have to have a picture of me"?

Student... "I wonder what's behind that door? Faculty members sure go in and out of it enough."

Here is a cuban we all love.

That final magic touch...

You think students are glad for the holidays--Here is a typical teacher's expression the day before Christmas Holidays.

MEMORIES

Days once passed can never come again----but memories preserved in this book will live.

Remember August 29, 1960; after eleven years of progressing thru Elementary, Jr. and Sr. High School, we had finally reached the privileged class----SENIORS. This day was considered by most, sadness as well as happiness. It was sad because it meant the end of those carefree days of swimming, picnicing, and skiing on Kingsley Lake. Yet, August 29th was a happy day when one thought of meeting acquaintances, football season soon opening, and getting in the swing of things for a busy year.

How fast time can slip by when one is busy going to classes, clubs, and practice (whether it be cheerleader, football, band, basketball, track, etc.), going on dates, and preparing those midnight oil-burning assignments.

Looking back, one wonders how we ever crammed all those wonderful experiences into one school term. Remember----the organization of our class and the election of class officers, our undefeated football season, winning first place for both our skit and float during Homecoming, our class play, "Cheaper By The Dozen," and the beginning of basketball season, which was interrupted for two weeks for Christmas and New Years holidays.

The first big social event after the holidays was the Valentine dance sponsored by the Student Council. By this time the Cross Country team had finished their meets and the track season was in full swing. Then came the planning preparations for the long awaited class trip to Nassau. This brings forth many precious, personal memories. Once back from Nassau (we think we all made it back), we began cramming and studying for those unforgettable Senior placement exams. Oh, how busy we were that last month; the prom, class night, and finally the moment we had been anticipating for so long--the night of graduation and the presentation of our high school diplomas.

Yes, this was a year full of precious memories we all enjoy recalling.

FOREIGN EXCHANGE STUDENT

STEINAR LORENTZEN
from Norway

On August 20, 1960, Steinar arrived in New York, and the same evening came to Bradford County. The Fred Dodds of Keystone Heights were his first "family," but in November he moved to Starke to live with the Lawrence Gibson family.

Steinar has participated in many of our school activities as well as in the community. His being here has meant a lot to each of us and we will always remember him.

We are including Steinar's address so that anyone that wishes to, may correspond with him.

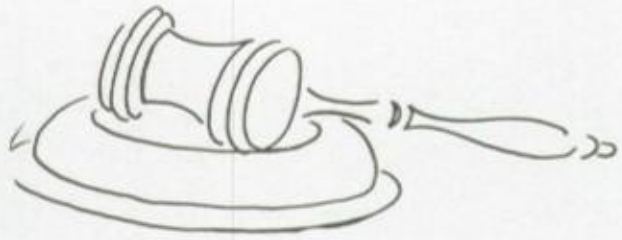
STUDENT COUNCIL

The Student Council has accomplished several things this year. The Council sent the officers to the Florida Youth Workship, held class elections, held the Honor Court elections, attended several conventions, collected the Student Tax, presented crowning ceremonies of the queen at homecoming, and accompanied Steiner Lorentzen to Cypress Gardens to attend the F. E. S. Meeting.

We held a Student Council Week, sponsored the Sweetheart Dance, and arranged for an American Flag to be presented to the auditorium by the American Legion Post of Starke.

We are a Service Organization, our purpose is to promote youth leadership, school spirit, and student-faculty relationship.

HONOR COUNCIL



The Honor Court of Bradford High School was established for helping the students in maintaining the knowledge of honesty. The Honor Court eventually hopes to instill into the minds of the students, a deeper regard toward the student body.

Clerk, Joalyce Graham

CHESS CLUB

"KING" - "QUEEN" - "ROOKS"

The lips of Bradford's chess club members unconciously form these words as they diligently toil over their "war" of chess. 1961 has marked the beginning of the B. H. S. Chess Club.

During the year a single elimination tournament and a double elimination tournament was held.

As a sponsor for our "Chess Nuts" we had Mr. H. A. Sprow, who is also a chess enthusiast.

The main purpose of the Drama Club is to study the finer points of Dramatics and learn the techniques of being a "Natural" actor. We also studied the "behind the scenes" branches of acting: Make-up, prop, stage management, costuming, public speaking, dramatic interpretation and debates.

The club presented several "one act" plays during the year.

We also attended the fall and spring Drama Festival held in Gainesville, Florida.

F. H. A. CLUB

The 1960-61 FHA theme of "Family Happiness" was carried out in our programs this year using students and Starke business people. Bradford High School was well represented at the district meeting in November at Santa Fe High School.

A Christmas program and party was enjoyed by both groups at a combined meeting. Community projects were Thanksgiving baskets and Christmas cards for the local hospital patients to give to their friends. A film on "Home Economics in Florida High Schools" was a spring program.

These stern Junior Patrol girls and boys started the school year by helping maintain order at the football games. From time to time throughout the year they reminded their fellow students of the rules of the school. But, unfortunately, a few times they broke the rules that they were enforcing. The year ended by taking a trip to Kingsley Lake for the enjoyment of the patrol and to get off duty for a day.

The Future Farmers of America is an organization for rural boys enrolled in Vocational Agriculture. The main objective of the organization is to teach leadership, citizenship, and cooperation, among its members. The chapters are run by officers elected annually by the members. Membership is open to any male student who is regularly enrolled in an all-day vocational class. A member may retain his active membership throughout his entire high school career and for three years after leaving school. There are four degrees of active membership, they are the Green Hand, Chapter Farmer, State Farmer, and American Farmer.

In the month of April the FFA Parent and Son Banquet was held. The FFA attended the State Fair at Tampa in February. They also attended the Sub-District and District Contest and State Convention in Daytona.
